PK Das Institute of Medical Sciences

Conducts Graduation Ceremony for 2020 MBBS Batch

PK Das Institute of Medical Sciences (PKDIMS), Vaniamkulam, conducted the Graduation Ceremony of the 2020 MBBS Batch at the institute campus, marking a significant milestone in the academic and professional journey of the graduating medical students.

The ceremony celebrated the successful completion of the students' medical education and training, recognising their

years of dedication, perseverance and commitment as they step forward into the healthcare profession.

Lt. Gen. (Retd.) Dr. Ajith Nilakantan, Param Vishisht Seva Medal Awardee, former Director and Commandant of Army Hospital (Research & Referral), New Delhi, and Director General of Hospital Services (Armed Forces), graced the occasion as the Chief Guest. Dr. Varghese P. Punnoose, Principal, Government Medical College, Kottayam, attended the ceremony as the Guest of Honour.

The event was honoured by the presence of Adv. Dr. P. Krishnadas, Chancellor,

PK Das Deemed-to-be University, Honorary Trade Commissioner of Mauritius-India, and Chairman & Managing Trustee, Nehru Group of Institutions. The event was also graced by Dr. R. C. Krishnakumar, Director (Operations), PKDIMS,

and Dr. Satish G. Prabhu, Principal, PKDIMS.

The graduation ceremony brought together the graduating students, faculty members, parents and dignitaries in a celebration of achievement and new beginnings. The occasion marked the successful completion of the 2020 MBBS Batch and their transition from medical students to future healthcare professionals, carrying forward the values of knowledge, compassion and service.

Nehru College of Engineering hosts **Mechatronics Horizons 2030** industry-academia conclave

Mechatronics Horizons 2030: Industry-Academia Conclave Held at NCERC

The Department of Mechatronics, Nehru College of Engineering and Research Centre (NCERC), Pampady, successfully organised “Mechatronics Horizons 2030”, an Industry-Academia Conclave focusing on emerging technologies, industry opportunities and future career

prospects in the field of mechatronics.

Held at the Aryabhata Seminar Hall, NCERC, the conclave brought together academicians, industry professionals and students on a common platform to explore the rapidly evolving landscape of mechatronics, automation, robotics and related technologies.

The programme was held under the patronage of Adv. Dr. P. Krishnadas, Chancellor, P.K. Das Deemed-to-be University, Tamil Nadu, Honorary

Trade Commissioner of Mauritius-India and Chairman & Managing Trustee, Nehru Group of Institutions.

The panel discussion featured Mr. Saikiran Lokesh, Engineering Leader, ZF Group; Dr. Ramesh Anantha Vijayan, Technology Director, Bosch Global Software Technologies; and Mr. Saumendra Dash, Solution Director, HCLTech, Chennai. The interaction provided students with valuable insights into emerging

technological trends, industry expectations, career opportunities and the skills required for the future workforce.

The event was also attended by Dr. Anoop K J, Principal, NCERC; Dr. Geeta Ramdas, Head of the Department, Department of Mechatronics Engineering, NCERC; along with other Heads of Departments, faculty members and students.

Organised by the Department of Mechatronics in association with the Mechatronics Club, Azimos and Robotics Club (Roboterium), the conclave served as a meaningful platform for strengthening industry-academia collaboration and inspiring students to prepare for the technological possibilities of the future.

Nehru Academy of Law Hosts Intra-Collegiate Moot Court Competition 2026

Nehru Academy of Law (NAL) successfully conducted the Intra-Collegiate Moot Court Competition 2026, organised by the NAL Moot Court Society in association with the Internal Quality Assurance Cell (IQAC), providing law students with a valuable platform to develop

and demonstrate their skills in legal research, advocacy, argumentation and courtroom presentation.

The competition brought together aspiring young advocates who engaged in rigorous legal research and presented arguments on a moot proposition, recreating the atmosphere and intellectual demands of a real courtroom. The event encouraged students to analyse complex

legal issues, interpret statutory provisions, develop persuasive arguments and respond confidently to questions during the proceedings.

The competition was honoured by the presence of Adv. Dr. P. Krishnadas, Chancellor, P.K. Das Deemed-to-be University, Tamil Nadu, Honorary Trade Commissioner of Mauritius-India, and Chairman & Managing Trustee, Nehru Group of Institutions. His presence added significance to the academic event and served as an encouragement to the participating students as they pursued excellence in the field of law.

The valedictory function marked the culmination of the competition and was graced by Prof. Dr. Jacob Joseph, Professor of Law and Legal Consultant; Adv. Muneer P., Panel-V Arbitrator, Kerala High Court; and Prof. Dr. Sony Vijayan, Principal, Nehru Academy of Law.

The valedictory ceremony recognised the dedication, preparation and courtroom skills demonstrated by the participants throughout the competition. The speakers highlighted the importance of moot court training in shaping future legal professionals, particularly in developing critical thinking, legal research, persuasive communication, professional confidence and a deeper understanding of courtroom procedure.

The competition witnessed commendable performances from the participating teams. Roshini Unnikuttan, Rafna Nissam and Shruthi K emerged as the Winners, demonstrating strong

legal reasoning, effective advocacy and impressive teamwork. Nihal Shankar, Sreejith and Bharath Menon secured the Runners-up position after a competitive series of rounds.

The Best Memorial and Best Researcher awards were presented to Roshini Unnikuttan and her team, recognising the quality of their legal research, preparation and presentation of the written submissions. Santhosh Vishnu was adjudged the Best Speaker for his effective courtroom presentation, clarity of

arguments and advocacy skills.

Beyond the awards and recognitions, the competition served as an important academic exercise that transformed theoretical legal knowledge into practical courtroom experience. The students had the opportunity to move beyond textbooks and engage with legal principles through research, argument construction, rebuttal and oral advocacy.

The event also reflected the role of the NAL Moot Court Society and IQAC in creating meaningful academic opportunities that complement classroom learning and prepare students for the professional challenges of the legal field. Such platforms enable students to cultivate not only legal knowledge but also the confidence, discipline and analytical skills essential to a successful career in law.

With compelling arguments, thoughtful legal research, confident advocacy and remarkable teamwork, the Intra-Collegiate Moot Court Competition 2026 concluded on a high note, celebrating the

spirit of healthy academic competition and the pursuit of legal excellence. The event stood as a memorable occasion for the participants and organisers, inspiring the next generation of legal professionals to approach the law with knowledge, integrity, confidence and commitment.

P.A.T.H. conclave on mental health awareness at P.K. Das College of Nursing

P.A.T.H. Conclave Held at PK Das College of Nursing

The P.A.T.H. (Psychological Awareness for Tranquillity & Holistic Development) Conclave was held at PK Das College of Nursing, focusing on psychological well-being, mental health awareness and holistic development among students and healthcare professionals.

The programme was organised by Nehru Corporate Placements & Industry Relations (NCP&IR) in association with PK Das College of Nursing. The programme was inaugurated by Dr. Lekshmi R. Chandran, Member of the Syndicate, University of Calicut and Associate Professor & Head, Department of Zoology. PKDCN Principal Prof. Dr. Priya Mary Stella delivered the welcome address, setting the tone for an engaging and meaningful programme.

The conclave provided a platform for meaningful discussions on mental well-being, emotional resilience, and the importance of psychological awareness in the healthcare sector.

A panel discussion featuring Dr. Milu Maria Anto, Clinical Psychologist and Associate Professor, Department of Psychology, Prajyoti Niketan College; Dr. Kiran Nath G,

Senior Resident, Department of Psychiatry, PK Das Institute of Medical Sciences; Col. Ammini P V (Retd.), Dy. Principal Matron at Base Hospital Delhi Cantt. (Retd.), Nursing Superintendent, Azeezia Hospital, Alathur; and Mr. V. P. Ravikumar, Asst. Manager (Retd.), ITI Ltd., Kanjikode, provided diverse perspectives on psychological health and holistic development.

The conclave encouraged participants to recognise the importance of mental wellness, emotional strength and a supportive environment in building healthier individuals and more compassionate healthcare professionals.

GREENOVA 2026 Conclave Held at Nehru College of Engineering & Research Centre

The Department of Electrical & Computer Engineering at Nehru College of Engineering & Research Centre (NCERC), Pampady, organized GREENOVA 2026, a two-day Academia-Industry Conclave on “Futuring the Sustainable Energy Grid.” The programme was held on September 9 and 10, 2026, bringing together academicians, industry professionals, government representatives and students to discuss emerging trends and

innovations in sustainable energy systems.

The conclave featured insightful discussions on the future of energy grids, energy transition, smart and sustainable technologies, and the evolving role of industry and academia in building a sustainable energy ecosystem. The programme was held under the patronage of Adv. Dr. P. Krishnadas, Chancellor, PK Das Deemed to be University, Tamil Nadu, Honorary Trade Commissioner of Mauritius-India and Chairman & Managing Trustee, Nehru Group of Institutions.

The panel included Prof. Dr. Sasi Kottayil (Retired Professor and Energy Transition Consultant), Mr. Dinesh Kumar A.N.,

(Joint Director, EMC, Government of Kerala), Dr. Manas Kumar (Associate Professor, IIT Palakkad), Mr. Harikrishnan (Regional Manager – Solar Projects, Hykon) and Mr. Manu M. Venu (District Engineer (Ernakulam), ANERT, Government of Kerala).

The event was also attended by Dr. Anoop K J, Principal, NCERC, along with the Heads of Departments, professors, faculty members and students of NCERC.

The conclave provided a valuable platform for knowledge exchange and collaboration between academia, industry and government, highlighting the need for innovative and sustainable solutions to meet the energy demands of the future.

Internal Screening Round of **Smart India Hackathon (SIH) 2026** Commences at NCERC

The Internal Screening Round of the Smart India Hackathon (SIH) 2026 commenced at Nehru College of Engineering and Research Centre (NCERC) on September 9, 2026.

Organised by the NCERC Innovation and Entrepreneurship Development Cell (IEDC), the 24-hour hackathon brings together aspiring student innovators to develop technology-driven solutions to real-world challenges. Participants are working on

innovative projects across domains including Web, App, Artificial

Intelligence, IoT, Robotics and Embedded Systems, fostering creativity, problem-solving skills and an entrepreneurial mindset.

Adv. Dr. P. Krishnadas, Chancellor, PK Das Deemed to be University, Tamil Nadu, Honorary Trade Commissioner of Mauritius-India, and Chairman & Managing Trustee of Nehru Group of Institutions, along with Dr. Anoop K. J., Principal, NCERC, visited the event and interacted with the participating student teams. They appreciated the students' innovative ideas and encouraged them to make the most of the hackathon by developing impactful solutions to real-world challenges.

Graduation Ceremony Held at Nehru College of Pharmacy

The graduation ceremony of the Pharm.D 2020, B.Pharm 2021 and M.Pharm 2022 batches of Nehru College of Pharmacy was held at the Brahmagupta Auditorium, Nehru Campus.

Prof. Dr. Dileep, Chairperson, Board of D.Pharm Examinations, Directorate of Medical Education, Thiruvananthapuram, was the chief guest. He delivered the graduation address and urged the graduates to explore emerging opportunities in the pharmacy sector, with a focus on research, innovation and entrepreneurship.

Prof. Dr. D. Vijay Kumar, Principal, Nehru College of Pharmacy, welcomed the

gathering.

Adv. Dr. P. Krishnadas, Chancellor, P.K. Das Deemed to be University, Mauritius-India Honorary Trade Commissioner, and Chairman and Managing Trustee, Nehru Group of Institutions, presided over the function. He congratulated the graduates and highlighted the vital role of pharmacy in healthcare, while emphasising the importance of pursuing higher studies and continuous learning.

Dr. R.C. Krishnakumar, Director (Operations), PKDIMS; Prof. Dr. H. N. Nagaraja, Vice Chancellor, P.K. Das Deemed to be University, Tamil Nadu; and Dr. Sumitha Krishnadas, Correspondent, NGI, were among those present. Degree certificates were presented to the graduates, along with awards recognising academic excellence. The annual alumni album was also released on the occasion. Admin Managers, Heads of Departments, faculty members, staff, PTA representatives, students and graduates attended the ceremony.

Redefining Pharmaceutical Excellence

PHARMACON-XIV Concludes at Pampady, Advancing the Future of Pharmaceutical Healthcare

The two-day international pharmacy conference PHARMACON-XIV, organised by Nehru College of Pharmacy, successfully concluded at the Brahmagupta Auditorium, Nehru Campus, Pampady, bringing together academicians, researchers, healthcare professionals, students and

representatives from the pharmaceutical industry to explore the evolving landscape of pharmaceutical healthcare.

Held on September 11 and 12 under the theme "Redefining Healthcare Pharmaceutical Excellence," the conference provided a dynamic platform for academic exchange, scientific dialogue and professional collaboration, with a special focus on emerging technologies and innovative approaches shaping the future of

healthcare.

Adv. Dr. P. Krishnadas, Chancellor, P K Das Deemed-to-be University, Tamilnadu, Honorary Trade Commissioner of Mauritius-India, and Chairman & Managing Trustee, Nehru Group of Institutions, served as the Chief Patron and presided over the inaugural ceremony. Dr. Abhay Dharamsi, Vice Chancellor, Bhaikaka University, formally inaugurated the conference.

Across the two days,

PHARMA CON-XIV featured expert lectures, academic presentations and discussions addressing contemporary developments in pharmaceutical sciences. The sessions explored a wide range of areas, including pharmaceutical innovations, advanced research, emerging technologies, Artificial

Intelligence, clinical trials, biomolecules and new approaches to patient care.

The conference featured eminent speakers from academia, research and the pharmaceutical industry. Dr. Karthik Sriram, Director (R&D), Fordos Pharma Corporation, New Jersey, USA; Dr. Abhay Dharamsi, Vice Chancellor, Bhaikaka University; Mr. Mohammed Sameer, Data Science and AI Solutions

Manager, Q Minds Innovations, Coimbatore; Prof. Dr. Sabbasani Rajashekara Reddy, VIT Vellore; and Mr. Subrahmanyam Moorthy, Local Study Associate Director, AstraZeneca Pharma Ltd., shared their expertise and perspectives on emerging trends, technological advancements and the changing demands of modern healthcare.

The academic sessions offered participants an opportunity to understand how scientific innovation and digital technologies are transforming pharmaceutical research and healthcare delivery. Discussions on Artificial Intelligence, clinical research and emerging pharmaceutical technologies highlighted the growing importance of interdisciplinary collaboration in addressing complex healthcare challenges.

More than an academic

gathering, PHARMACON-XIV served as a meeting point for pharmacy education, research, industry and clinical practice, encouraging meaningful interaction among different stakeholders in the healthcare ecosystem. The conference also provided students and young researchers with opportunities to engage with experts, expand their knowledge and gain insights into emerging professional and research avenues.

The participation of students, faculty members, researchers, healthcare professionals and pharmaceutical industry representatives from across the country added further depth and diversity to the conference. The exchange of ideas and experiences throughout the two-day programme reinforced the importance of continuous learning, innovation and collaboration in advancing pharmaceutical sciences.

With its focus on scientific excellence, technological advancement and patient-centred healthcare, PHARMACON-XIV concluded as a significant academic initiative aimed at redefining the possibilities of pharmaceutical education, research and practice.

Dr. D. Vijayakumar, Principal, Nehru College of Pharmacy, served as the Conference Convener.

NCERC Hosts Industry-Academia Conclave 'NextWave 2026'

Nehru College of Engineering and Research Centre (NCERC), Pampady, successfully conducted the Industry-Academia Conclave 'NextWave 2026' at the Aryabhatta Seminar Hall, NCERC, bringing together eminent academicians, industry professionals and students for meaningful discussions on the changing dynamics of education, technology and the professional world.

Organised by the Department of Electronics and Communication Engineering, in association with the Nehru Corporate Placements and Industry Relations (NCP&IR), the conclave was centred on the theme "Industry Perspectives,

Academic Insights". The programme provided an engaging platform for interaction between academia and industry, with a focus on bridging the gap between classroom learning and the evolving requirements of the workplace.

The conclave was inaugurated by Dr. M. V. Rajesh, Director, IHRD, Kerala. The inaugural session highlighted the importance of strengthening industry-academic partnerships to create meaningful learning opportunities for students and prepare them to respond effectively to emerging technological and professional challenges.

The expert panel featured Dr. M. Sabari Malai Manikandan, Associate Professor, Department of Electrical Engineering, IIT Palakkad; Mr. Gonu Chandra Sekhar, Design Verification Manager, WDN; Mr. Sharath M Nair, Centre Head - Kozhikode and Head - CSR & Volunteering, Tata Elxsi; and Mr. Sujithkumar Vavullipathi, Founder & CEO, DigiPGT Technologies Pvt. Ltd.

The panel discussion offered students valuable

insights into the rapidly evolving technology landscape and the changing expectations of the industry. The experts shared their perspectives on emerging industry trends, technological advancements, employability skills, professional competencies and the growing demand for industry-ready graduates.

The interaction also provided an opportunity for students to understand the skills and attributes expected by employers beyond academic qualifications. Discussions highlighted the significance of continuous learning, adaptability, practical exposure, problem-solving abilities, innovation and effective communication in building

successful professional careers.

The conclave further emphasised the need for academic institutions to continuously engage with industry to understand emerging requirements and incorporate relevant knowledge, skills and practical experiences into the learning process. Such interactions enable students to gain a clearer understanding of real-world professional environments and make informed choices about their career pathways.

NextWave 2026 thus served as a meaningful forum for exchanging ideas, experiences and perspectives between academia and industry. The programme strengthened the institution's commitment to fostering industry-oriented education and creating opportunities for students to connect their academic learning with real-world applications. The conclave concluded on a positive note, leaving students with valuable insights into the evolving professional landscape and encouraging them to approach their academic journey with greater awareness, preparedness and industry orientation.

Nehru Academy of Law Welcomes New Batch at Induction Ceremony 2026

Nehru Academy of Law conducted its Induction Ceremony 2026 at Shasthra Hall, marking the beginning of a new academic journey for the incoming batch of law students. The ceremony brought together the new students, faculty members, institutional leaders and distinguished dignitaries, setting the tone for their journey into the world of legal education and professional practice.

The programme commenced

with a one-minute silent prayer in fond memory of the Academy's beloved Founder Chairman, Late Shri P. K. Das, followed by a universal prayer. The solemn beginning paid tribute to the vision and legacy of the founder, whose contributions continue to inspire the institution and its academic pursuits.

The gathering was formally welcomed by Prof. Dr. Sony Vijayan, Principal, Nehru Academy of Law. In the welcome address, the significance of beginning legal education with a strong foundation in knowledge, ethics, professional responsibility and social commitment was highlighted.

The Presidential Address was delivered by Adv. Dr. P. Krishnadas, Chancellor, P K Das Deemed-to-be University; Honorary Trade Commissioner of Mauritius-India; and Chairman and Managing Trustee, Nehru Group of Institutions. His address emphasised the responsibilities that accompany the legal profession and encouraged the students to approach their academic journey with dedication, integrity and a commitment to justice and society.

The Inaugural Address was delivered by Hon'ble Mr. Justice Jobin Sebastian, High Court of Kerala. Sharing valuable perspectives from the judicial field, he highlighted the

importance of developing a strong understanding of law, critical thinking and professional ethics. His address offered the newly admitted students an insightful introduction to the responsibilities and possibilities that lie ahead in their legal careers.

Prof. Dr. H. N. Nagaraja, Vice-Chancellor, P K Das Deemed-to-be University, delivered the Special Address. He spoke about the importance of academic excellence, discipline and continuous learning in shaping competent legal professionals. The address also underscored the role of educational institutions in preparing students to meet the evolving demands of the legal profession and contribute meaningfully to society.

The ceremony was also graced by the presence of Dr. Sumitha Krishnadas, Correspondent, NGI, along with other dignitaries, faculty members and members of the academic community. Their presence added significance to the occasion and reflected the institution's collective commitment to nurturing the next generation of legal professionals.

Prof. Dr. P. D. Sebastian, Professor, Nehru Academy of Law, delivered the felicitation, conveying his greetings and best wishes to the new students as they embarked on their academic journey.

The induction ceremony served as more than a formal welcome. It introduced the new batch to the values, responsibilities and professional

ideals associated with legal education, while inspiring them to pursue knowledge with purpose and develop into responsible members of the legal profession.

The programme concluded with the Vote of Thanks, followed by the National Anthem, marking the formal culmination of the ceremony.

With the Induction Ceremony 2026, Nehru Academy of Law welcomed a new generation of aspiring legal professionals and set the stage for their journey towards knowledge, advocacy, justice and service.

Five-Day Deeksharambh 2026 Orientation Programme

Nehru Academy of Law, Lakkidi, Ottapalam, under the Nehru Group of Institutions, successfully concluded its five-day “Deeksharambh 2026” Orientation Programme at Sashtira Hall, Jawaharlal College of Engineering and Technology (JCET), welcoming the newly admitted students into the academic community and introducing them to the diverse dimensions of legal education and the legal profession.

Designed as a meaningful beginning to the students’ journey in law, the five-day orientation programme brought together eminent legal professionals, academicians, judges, administrators and public servants. Through a series of interactive sessions, motivational addresses and knowledge-sharing engagements, the programme familiarised students with the academic culture of the institution, professional ethics, constitutional values, legal practice, public service and the responsibilities associated with the legal profession.

The inaugural day commenced with a one-minute silent prayer in memory of Late Shri P. K. Das, Founder Chairman, followed by a

universal prayer and ceremonial lamp lighting by the distinguished dignitaries.

Prof. Dr. Sony Vijayan, Principal, Nehru Academy of Law, delivered the welcome

address. Adv. Dr. P. Krishnadas, Chancellor, P K Das Deemed to be University, Honorary Trade Commissioner of Mauritius-India and Chairman & Managing Trustee, Nehru Group of Institutions, delivered the Presidential Address.

The inaugural address was delivered by

Shri Haris Beeran, Hon'ble Member of Parliament (Rajya Sabha) and Supreme Court Advocate. Prof. Dr. Bismi Gopalakrishnan, Dean, Faculty of Law and Professor & Head, School of Indian Legal Thought, M.G. University, attended the programme as the Guest of Honour. The programme was also graced by Adv. Hariraj Madhav Rajendran, Senior Advocate, High Court of Kerala, as a distinguished guest. Prof. Dr. P. D. Sebastian delivered the felicitation.

The second day of Deeksharambh 2026 continued the orientation with sessions

focusing on the practical dimensions of the legal profession and the responsibilities of legal practitioners. Shri T. K. Suresh, Judge, Family Court, Ottapalam, and Adv. K. Vijaya, DLSA Palakkad, Mediator, interacted with the students and shared valuable insights drawn from the judicial and legal fields. Their sessions helped students gain a deeper understanding of the functioning of the justice system, professional responsibilities and the importance of effective legal practice.

The third day broadened the scope of the orientation by introducing students to the relationship between law, governance, public administration and public service. The session featured Shri Anjeet Singh IAS, Deputy Collector, Ottapalam; Shri Ravikumar Meena IFS, Divisional Forest Officer, Palakkad; and Dr. Sandeep M. N., Associate Professor, NUALS. Their interactions

offered students an enriching perspective on governance, administration, environmental responsibilities, public service and the role of law in addressing wider social concerns.

The fourth day featured Adv. Premnath, Dy. Director of Prosecution (Retd.) & Arbitrator, High Court of Kerala, as the distinguished guest. His interaction with the students provided valuable insights into

prosecution, advocacy, dispute resolution and the practical aspects of legal proceedings. The session further strengthened the students' understanding of the professional opportunities and responsibilities associated with a career in law.

The fifth and concluding day featured Prof. (Dr.) Krishna Kumar, Former Legislature Secretary of Kerala and Principal of Government Law College, Kozhikode, as the Distinguished Guest. Addressing the newly admitted students, he shared valuable perspectives on the legal profession, constitutional values and the responsibilities of aspiring lawyers. His address encouraged students to pursue academic and

professional excellence while upholding integrity, commitment and a strong sense of responsibility towards society.

Across the five days, Deeksharambh 2026 created an engaging platform for students to interact with accomplished professionals from the judiciary, legal practice, academia, public administration and other areas connected with law. The diverse sessions enabled the students to look beyond textbooks and gain a broader understanding of the practical, ethical and social dimensions of legal education.

The orientation also emphasised that legal education extends beyond the

acquisition of knowledge. It calls for critical thinking, analytical ability, ethical conduct, effective communication, professional discipline and a commitment to justice. Through the experiences and perspectives shared by the distinguished guests, the students were encouraged to approach their academic journey with curiosity, confidence and a sense of purpose.

The successful completion of Deeksharambh 2026 marked an inspiring beginning for the newly admitted students of Nehru Academy of Law. The five-day programme not only introduced them to the academic environment of the institution but also provided them with valuable exposure to the realities, responsibilities and possibilities of the legal profession.

Held at Sashtthra Hall, JCET, the programme concluded on a memorable note, formally welcoming the new batch into the Nehru Academy of Law family and setting the stage for their journey towards becoming knowledgeable, ethical and socially responsible legal professionals.

A New Journey Begins at Nehru College of Pharmacy

Induction Ceremony 2026 Held at Nehru College of Pharmacy

The journey towards healing, innovation and pharmaceutical excellence began on an inspiring note at Nehru College of Pharmacy, under the Nehru Group of Institutions, with the successful conduct of the Induction Ceremony 2026 for the newly admitted B.Pharm, Pharm.D and M.Pharm 2026-27 batch. The ceremony was held at the Brahmagupta

Auditorium, welcoming the new students into their academic and professional journey in pharmacy.

The programme commenced with the welcome address and professional affirmation led by Dr. D. Vijay Kumar, Principal, Nehru College of Pharmacy, setting the tone for an enriching journey ahead. The induction ceremony served as an important platform to introduce the new students to the values, responsibilities and professional commitments that define the pharmacy profession.

The function was presided over by

Adv. Dr. P. Krishnadas, Chancellor, P K Das Deemed-to-be University, Honorary Trade Commissioner of Mauritius-India, and Chairman & Managing Trustee, Nehru Group of Institutions. In his address, he emphasised the importance of education, professional responsibility and the role of pharmacists in contributing meaningfully to the healthcare sector.

Dr. Sumitha Krishnadas, Correspondent, Nehru Group of Institutions, also addressed the gathering and extended her wishes to the newly admitted

students as they embarked on a new chapter of academic and professional growth.

The inaugural address was delivered by Prof. Dr. Rajasree R. S., Dean, Faculty of Pharmaceutical Sciences, Kerala University of Health Sciences (KUHS). Her address offered the students valuable insights into the evolving landscape of pharmaceutical education and the opportunities and responsibilities awaiting them as future healthcare professionals.

Adding an industry perspective to the programme, Mr. Vinodkrishna Poyyale, Disease Commercialisation Lead, Roche Products (India) Pvt. Ltd., delivered the special address. His interaction highlighted the growing significance of innovation, industry engagement and emerging opportunities in the pharmaceutical sector.

The newly inducted students also received the

blessings and encouragement of their distinguished alumna, Dr. Shageena Ismail, Distinguished Alumna (B.Pharm, 2010 Batch), who offered felicitations and shared words of encouragement with the new generation of pharmacy students.

One of the most heartfelt moments of the ceremony was the “Word from the Heart” session presented by the first-year students. The session provided the newcomers with

an opportunity to express their feelings, aspirations and hopes as they began their journey at Nehru College of Pharmacy.

The programme concluded with the vote of thanks proposed by Dr. T. Tamilselvan, Vice Principal, Nehru College of Pharmacy, followed by the National Anthem.

The Induction Ceremony 2026 marked more than the formal beginning of a new academic year. It was a meaningful welcome into a profession built on knowledge, compassion, responsibility and service encouraging the new batch to learn with curiosity, grow with confidence and contribute to the future of healthcare through pharmaceutical excellence.

Nehru College of Architecture Conducts Institute-Level Hackathon for SIH 2026

Nehru College of Architecture successfully conducted the Smart India Hackathon (SIH) 2026 – Internal Hackathon (Institute Level) on 18 September 2026 at the NCA Seminar Hall, providing students with a dynamic platform to explore innovative ideas and develop creative solutions to contemporary challenges.

The institute-level hackathon

was organised with the objective of encouraging students to think beyond conventional approaches and engage with real-world problems through innovation, collaboration and design-driven problem-solving. The event brought together students with diverse ideas and perspectives, creating an environment that encouraged experimentation, creativity and solution-oriented thinking.

The hackathon focused on several significant areas, including Heritage, Culture, Urban Design, Sustainability and Green Building. These themes provided students with opportunities to examine

the challenges facing the built environment and develop ideas that are not only innovative but also socially relevant, environmentally responsible and responsive to the needs of communities.

Throughout the event, students worked collaboratively to transform their ideas into

meaningful and practical solutions. The hackathon encouraged participants to approach challenges from multiple perspectives, combining architectural thinking, creativity and technology to explore possibilities for a more inclusive and sustainable future.

The Heritage and Culture theme encouraged students to look at ways of preserving and reinterpreting cultural identity in a rapidly

changing world. The focus on Urban Design provided an opportunity to explore ideas for more people-centric, functional and resilient urban spaces. Meanwhile, the themes of Sustainability and Green Building encouraged participants to consider environmentally responsible approaches to architecture and the built environment.

More than simply a competition, the institute-level hackathon served as a platform for students to develop important skills in creative thinking, teamwork, communication, research, problem-solving and innovation. The collaborative nature of the event enabled participants to share ideas, challenge

conventional thinking and refine their concepts through a process of continuous exploration.

The event also reflected the growing importance of interdisciplinary and solution-oriented approaches in architectural education. By engaging students with real-world challenges, the hackathon encouraged them to view architecture not merely as a discipline of design, but as a powerful tool for addressing social, environmental and urban challenges.

The Smart India Hackathon 2026 Internal Hackathon at Nehru College of Architecture thus became a meaningful celebration of student creativity and innovation. It provided aspiring architects with a valuable opportunity to move from ideas to solutions, while strengthening their commitment to creating inclusive, sustainable and resilient spaces for the future.

Through initiatives such as SIH 2026, Nehru College of Architecture continues to foster a culture where ideas are encouraged, innovation is nurtured and students are empowered to imagine and build a better tomorrow.

Thoofan Warriors Rise: Badges Conferred, Pledge Taken

Nehru Academy of Law Hosts 'Youth for a Safe & Responsible Future 2026'

Nehru Academy of Law, Lakkidi, successfully organised "Youth for a Safe & Responsible Future 2026", an IQAC initiative conducted in association with the Kerala Police Department, at Shastra Hall on September 25. The programme brought together students, NCC cadets and Thoofan Volunteers – Jawahar Campus in a collective

effort to promote awareness, responsibility, resilience and a safer, drug-free society.

A major highlight of the programme was the official inauguration of Thoofan Volunteers – Jawahar Campus, marking an important step towards strengthening youth participation in social awareness and community safety initiatives. The programme also featured the Thoofan Warrior Badge Conferment Ceremony, during which badges were presented to NCC cadets in recognition of their commitment to discipline,

responsibility, leadership and the cause of building a safer society.

The programme was inaugurated by Sri. C. R. Santhosh, Additional Superintendent of Police, Palakkad, who addressed the gathering and highlighted the importance of empowering young people to become responsible and vigilant members of society.

The newly inducted Thoofan

Volunteers and NCC cadets subsequently took the Thoofan Pledge, committing themselves to stand firmly against drug abuse, promote awareness and safety among young people, and contribute positively to society. The pledge reinforced the programme's larger message that creating a safe and responsible society requires the active participation of an aware and committed youth community.

The event also featured a series of awareness sessions led by police officials on contemporary challenges confronting young people. Sri. Binoy Kuriakose, Sub-Inspector of Police, Narcotic Cell, Palakkad, addressed the participants on anti-drug

awareness and the need for sustained vigilance against substance abuse. Sri. Arumughan V, ASI of Police & ADNO, Janamaithri Police, Palakkad, spoke on youth safety, community responsibility and the role of young citizens in creating safer surroundings. Sri. Manesh M, ASI, Cyber Crime Police Station, Palakkad, conducted an awareness session focusing on cyber security and the importance of responsible and safe digital practices.

The sessions provided students with practical awareness about the risks associated with drug abuse, cyber threats and other emerging challenges, while encouraging them to make informed choices and extend

awareness among their peers.

Prof. (Dr.) Sony Vijayan, Principal, Nehru Academy of Law, delivered the welcome address, setting the tone for a programme centred on youth empowerment, social responsibility and collective action. Prof. (Dr.) N. Gunasekaran, Principal, Jawaharlal College of Engineering and Technology (JCET), offered felicitations and appreciated the initiative aimed at nurturing responsible and socially conscious young citizens.

The programme concluded with a renewed sense of commitment among the Thoofan Volunteers and NCC cadets. More than a badge, the ceremony represented a responsibility; more than a pledge, it marked a commitment to action. With awareness as their strength and responsibility as their guiding principle, the newly inducted Thoofan Volunteers stepped forward as young ambassadors for a safer, more resilient and drug-free society.

Badge received. Pledge taken. Responsibility embraced. The Thoofan Volunteers now move forward with a shared commitment to awareness, resilience and a safer future.

APJAKTU E-Zone Basketball Championship 2026 Concludes at Nehru College

The APJ Abdul Kalam Technological University (APJAKTU) E-Zone Basketball Championship 2026 (Men & Women), organised by the Department of Physical Education, Nehru College of Engineering and Research Centre, was successfully conducted on 25 and 26 September 2026 at the college campus.

The two-day championship brought together talented

basketball teams representing engineering colleges from across the APJAKTU E-Zone, providing a vibrant platform for young athletes to demonstrate their sporting talent, competitive spirit and teamwork. The tournament created an energetic sporting atmosphere on the campus, with players displaying remarkable skill, discipline, determination and enthusiasm throughout the matches.

The first day of the championship on 25 September witnessed a series of exciting fixtures in both the men's and women's categories. The participating teams competed with intensity and confidence, showcasing their abilities in shooting,

passing, defence, ball control and coordinated team play. The matches reflected the high level of preparation and sporting commitment of the student athletes.

The championship continued on 26 September with the remaining league fixtures and knockout rounds. The second day witnessed closely contested matches as teams battled for a place in the final stages of the competition. The players maintained a high level of energy and sportsmanship throughout the

proceedings, making the championship an engaging and memorable sporting event.

The competition also provided an opportunity for students from different institutions to interact, compete and build camaraderie through sport. Beyond the results on the scoreboard, the championship highlighted the values of teamwork, discipline, perseverance, leadership and respect that form an integral part of collegiate sports.

The successful conduct of the APJAKTU E-Zone Basketball Championship 2026 reflects the commitment of Nehru College of Engineering and Research Centre to promoting sports and physical education alongside academic excellence. The event concluded on a high note, celebrating the sporting talent, competitive spirit and achievements of the participating teams.

Wings of Scientific Imagination Winners Honoured at NCERC

The winners of 'Wings of Scientific Imagination', a school-level competition jointly organised by Mathrubhumi and the Nehru Group of Institutions in connection with the space mission of astronaut Dr. Anil Menon, were honoured at a ceremony held at the Aryabhata Seminar Hall, Nehru College of Engineering and Research Centre (NCERC), Pampady.

The programme was presided over by Adv. Dr. P. Krishnadas, Chancellor, P K Das Deemed-to-be University, Honorary Trade Commissioner of Mauritius-India, and Chairman and Managing Trustee of the Nehru

Group of Institutions. Hon. Adv. K. Premkumar, MLA, Ottapalam, presented the prizes to the winners.

The competition was organised with the aim of encouraging school students to explore the fascinating worlds of science and space, while nurturing their imagination, curiosity and scientific spirit. Through their creative ideas and scientific vision, the young participants demonstrated the power of imagination to look beyond the familiar and dream of new possibilities.

The programme also highlighted the importance of inspiring young minds to pursue scientific thinking and innovation. The remarkable journey of astronaut Dr. Anil Menon served as an inspiration for the students to dream beyond boundaries and envision a future shaped by knowledge, curiosity and discovery.

R. P. Mohan Das, Palakkad Unit Manager, Mathrubhumi; V. Harigovindan, Special

Correspondent; Suhas Sathyan, Advertising Manager; and Dr. Anoop K. J., Principal, NCERC, were present at the ceremony.

The felicitation programme

celebrated not only the achievements of the winners but also the spirit of curiosity and scientific imagination among the next generation, encouraging young minds to keep looking towards the stars with courage, creativity and wonder.

NSS Unit 209 Conducts Nutrition Awareness Class at Narayanamangalam Anganwadi

NSS Unit 209 of Nehru College of Engineering and Research Centre, Pampady, under the flagship initiative KTU-CARE, conducted a Nutrition Awareness Class at Narayanamangalam Anganwadi as part of the 9th Rashtriya Poshan Maah 2026. The session was led by Dr. Ashish L, Assistant Professor, Department of Master of Computer Applications, NCERC. Based on the theme “Hamari Anganwadi, Hamari Jimmedari,” the session focused on the importance of balanced nutrition, dietary diversity, adequate protein, and healthy eating habits for the proper growth and development of children. The programme provided valuable awareness about nutritious food choices and the importance of maintaining healthy dietary practices, contributing to the promotion of better nutritional well-being among children and the community.

Jawaharlal Business School Hosts HR Connect 2026

Jawaharlal Business School, in association with the National Institute of Personnel Management (NIPM), successfully organized HR Connect 2026, an engaging panel discussion with leading HR professionals from diverse industries.

The session featured Mr.

Rathish M., Head – HR, Patspin India Ltd.; Mr. Mohandas M., Assistant Manager – HR, MRF Tyres; Mr. Dileep Varma E., People Operations Manager, LEAD College; and Mr. Vivek P., Assistant Manager – HR & Admin, KOSO India Private Limited. The panelists shared valuable insights and practical perspectives on emerging HR trends, industry expectations, workplace challenges, and the evolving role of HR professionals.

Useless Projects Make-a-thon 3.0 Successfully Concluded

The Useless Projects Make-a-thon 3.0 was successfully conducted as an engaging and innovative overnight programme, providing students with a unique platform to explore creativity, teamwork and unconventional problem-solving. The event encouraged participants to step beyond conventional project ideas and develop innovative concepts purely for fun, experimentation and creative expression.

The Make-a-thon brought together enthusiastic students who actively participated in the overnight programme, working collaboratively on a variety of imaginative and unconventional project ideas. The event created an energetic environment where students could experiment freely, think differently and transform seemingly “useless” ideas into interesting and creative projects.

The programme also served as an opportunity for students to strengthen their teamwork, communication, time-

management and technical skills while working under a limited timeframe. The overnight format added to the excitement of the event, encouraging participants to remain engaged throughout the programme and complete their projects through continuous collaboration and experimentation.

The successful conduct of Useless Projects Make-a-thon 3.0 was made possible through the

valuable support and encouragement of the management, Principal, AM, Mr. Manoj, HOD, Cyber Security, and all other Heads of Departments, along with the teaching and non-teaching faculty members.

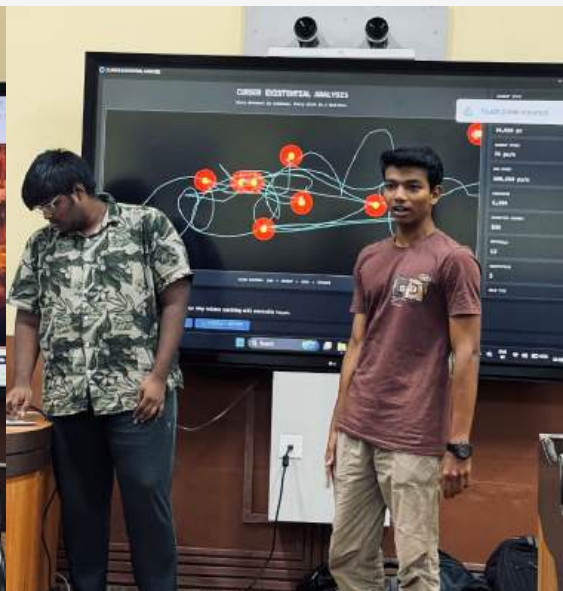

Special appreciation was extended to Ms. Durga Reghu, Faculty, CSE, and Mr. Sathish Kumar, TPO, for their dedicated presence, guidance and support throughout the overnight programme. Their encouragement and active involvement contributed significantly to maintaining the enthusiasm and smooth coordination of the event.

The organisers also expressed their sincere gratitude to the entire organising team and everyone who contributed to the planning, coordination and successful completion of the

Make-a-thon.

With its spirit of creativity, collaboration and experimentation, Useless Projects Make-a-thon 3.0 concluded successfully, leaving participants with an enjoyable and enriching experience while demonstrating that even the most unconventional ideas can become opportunities for learning, innovation and teamwork.

Sivani Balagopal Wins Award of Excellence for Best Hardware Project at Girlathon 4.0

Sivani Balagopal, a fifth-semester B.Tech CSE (Cyber Security) student, has won the Award of Excellence for Best Hardware Project at Girlathon 4.0, organised by GDG on Campus MACE. The three-month-long competition featured three challenging rounds, with 100 teams participating in the first round, 32 teams advancing to the second round, and 10 teams competing in the final round. Sivani emerged as the winner in the Best Hardware Project category and received a cash prize of ₹20,000. Her achievement is a proud recognition of her innovation, technical expertise, perseverance, and commitment to developing impactful technology solutions.

MBA 2026 Batch Completes Three-Day Outcome Based Training Programme

The MBA 2026 batch of NSM successfully completed a three-day Outcome Based Training Programme conducted by the NOBLE NGI team, offering students an engaging blend of adventure, leadership development, strategic learning, and team-building activities.

Designed to take students beyond the conventional classroom environment, the

programme encouraged participants to step out of their comfort zones and develop essential skills required for professional and managerial success. The three days were filled with high-energy adventure activities, strategic leadership games, and team-building challenges, creating opportunities for students to strengthen communication, collaboration, decision-making, problem-solving, and leadership abilities.

A major highlight of the programme was the precision rifle shooting practice session organised by the Nehru Rifle Academy. The hands-on session

introduced students to the importance of focus, discipline, concentration, precision, and target alignment. Beyond the activity itself, the experience provided valuable lessons in maintaining composure, setting clear objectives, and working with accuracy—qualities that are equally significant in the corporate and business environment.

The training programme also

helped students build stronger interpersonal connections and foster a spirit of teamwork. The combination of challenging activities and experiential learning enabled participants to understand leadership and team dynamics in a practical and engaging manner.

The successful completion of the three-day programme marked a valuable learning experience for the MBA 2026 batch, equipping students with practical skills, greater confidence, and stronger team bonds as they prepare for their future roles as business and management professionals.

From Pleadings to Practice – A Workshop on Code of Civil Procedure, 1908

The Nehru Academy of Law, in association with the NAL Conclave Series and IQAC, organized an academic workshop titled “From Pleadings to Practice – A Workshop on Code of Civil Procedure, 1908.” The programme aimed to provide law students with practical exposure to civil procedure, bridging the gap between theoretical knowledge and courtroom practice.

The workshop was led by Adv. Ragesh N, Ottapalam Bar Association. His expertise in civil procedure and litigation practice provided participants with valuable insights into pleadings, drafting, and

courtroom strategies.

The resource person engaged participants through interactive discussions, case-based examples, and practical demonstrations of pleadings and procedural aspects. Students actively participated, raising queries and sharing perspectives, making the session highly enriching.

The programme aligned with the UN Sustainable Development Goals (SDG 4 – Quality Education and SDG 16 – Peace, Justice, and Strong Institutions). It reinforced the Academy’s vision of nurturing socially responsible and professionally competent legal practitioners.

The workshop successfully achieved its objectives by equipping students with practical knowledge of civil procedure. It served as a platform for academic enrichment and professional preparedness, marking another milestone in the Academy’s journey towards excellence in legal education.

Industrial Visit to Kannan Devan Tea Factory, Munnar

The students of 5S8 B.Com. LL.B. (Honours) of Nehru Academy of Law, Palakkad undertook an industrial visit to the Kannan Devan Tea Factory, Munnar, as part of experiential learning.

The visit provided students with practical exposure to the tea manufacturing process, including withering, rolling,

drying, grading and packaging. They also gained insights into industrial operations, quality control, management practices and the use of technology in tea production.

The visit helped students connect their theoretical knowledge of commerce, business management and law with real-world industrial practices. It was an informative and enriching learning experience that enhanced their practical understanding of the functioning of an industrial establishment.

Honoring the Mentors: Teachers' Day Celebration at Nehru Academy of Law

The Nehru Academy of Law, in association with the Internal Quality Assurance Cell (IQAC), hosted a heartfelt Teachers' Day Celebration. Spearheaded by the Rotaract Club of Nehru Academy of Law, the event was organized to recognize the profound impact of educators under the inspiring sentiment: "Teachers create magic. Let's honour the mentors who enlighten minds, inspire hearts and shape a better tomorrow".

The entire event was enthusiastically volunteered and managed by the student members of the college's Rotaract Club. Adding a highly creative and personal touch to the celebration, the students

generated nostalgic "young photos" of the faculty members, presenting them to the teachers as a unique token of love and appreciation. This engaging surprise brought a deep sense of joy and warmth to the occasion, fostering a strong bond of mutual respect between the students and their mentors. The celebration was held with the steadfast support and patronage of the institution's leadership, including Adv. (Dr.) P Krishnadas, Chairman and Managing Trustee of the Nehru Group of Institutions, and Dr. P Krishnakumar, CEO and Secretary. The program also benefited from the continuous guidance of Prof. (Dr.) Sony Vijayan, Principal of the Nehru Academy of Law. The Teachers' Day celebration successfully achieved its goal of expressing immense gratitude to the teaching fraternity. It stood as a testament to the vibrant, student-driven culture at the Academy and their deep appreciation for the individuals guiding their academic and professional journeys.

Labour Laws and the New Labour Codes – A Conclave Session

The Nehru Academy of Law, in association with the NAL Conclave series and IQAC, organized an academic session titled “Labour Laws and the New Labour Codes”. The session was led by Mr. Prabhat M P, Deputy Labour Officer, Palakkad, serving as the resource person. The core discussion centered on the ongoing transition from traditional, heavily fragmented labour legislation to the streamlined framework of the new Labour Codes. The presentation delved into how these reforms consolidate previous statutes to address contemporary challenges surrounding wages, industrial relations, social security, and occupational safety.

Drawing from his extensive administrative background, Mr. Prabhat provided participants with practical

insights into the regulatory shifts.

He engaged the attendees by breaking down the structural and procedural differences between the old laws and the new codes, illustrating how these legislative updates aim to balance ease of doing business with the fundamental protection of worker rights. The discussion gave law students a clearer picture of the compliance requirements and the evolving legal landscape they will navigate as future practitioners.

Aligning with global objectives, the programme prominently highlighted the UN Sustainable Development Goal 8, which advocates for Decent Work and Economic Growth. This specific focus reinforced the Academy’s vision of nurturing socially responsible legal professionals equipped to understand the nuances of fair labor practices, employee welfare, and sustainable economic development.

The session successfully achieved its objectives by equipping students with actionable knowledge of modern labour jurisprudence. It served as a vital platform for academic enrichment and professional preparedness, continuing the Academy’s tradition of delivering impactful legal education through the NAL Conclave series.

As part of NSS Day, our unit organized an anti-drug awareness campaign. NSS volunteers conducted awareness sessions in various classes by displaying placards. The programme was completed successfully.

ADVOCATING FOR LIFE: NURTURING HOPE AND RESILIENCE IN EVERY MIND

Nehru Academy of Law organised a sensitisation programme titled “Advocating for Life: Nurturing Hope and Resilience in Every Mind” on 10 September 2026 in observance of World Suicide Prevention Day, with the objective of promoting emotional well-being, hope, resilience and awareness among students. The programme was organised by the Centre for Student Well-being and Mental Health in

association with the IQAC, creating a supportive platform for students to understand the importance of mental health and develop healthy ways of coping with emotional challenges. The session was led by Mr. Adarsh S.J, Clinical psychologist, P.K das Institute of medical sciences, who sensitively addressed the importance of recognising emotional distress, seeking timely support, building resilience and extending empathy and support to those experiencing difficulties. Particular emphasis was placed on recognising early signs of emotional distress, developing healthy coping mechanisms, maintaining supportive relationships and

approaching trusted persons or professional services when additional support is required. The session also highlighted the importance of active listening and responsible communication in supporting the emotional well-being of peers. Students were encouraged to look beyond academic performance and recognise the importance

of maintaining a balanced approach to physical, emotional and social well-being. The interactive nature of the programme enabled students to engage with the subject in a meaningful manner and reflect upon the importance of hope, resilience and mutual support in everyday life. The programme reaffirmed the commitment of Nehru Academy of Law to the holistic development and well-being of its students and contributed to fostering a compassionate, supportive and mentally healthy campus community.

As part of the Social Outreach Programme, the D.Arch students of Nehru College of Architecture successfully completed the painting of Karapparambu Anganwadi. The initiative transformed the space into a bright, colourful, and welcoming environment for the children

As part of the World Pharmacist Day celebration, Nehru College of Pharmacy is organizing an Essay Writing Competition and Rally based on the theme “Empowering Pharmacists for Healthier Futures.” These activities aim to highlight the important role of pharmacists in promoting better health and strengthening healthcare services.

As part of National Nutrition Week, the NSS Unit of Nehru College of Pharmacy (NCP) organized a small awareness programme on Nutrition and Health for the students of L.P. School, Koonathara, Vaniyamkulam.

REPORT ON TWO-DAY HANDS-ON TRAINING ON e-CTD SOFTWARE

The Departments of Pharmaceutical Regulatory Affairs and Pharmaceutics, in association with IQAC, Nehru College of Pharmacy, organized a two-day hands-on training on e-CTD software on 2nd and 3rd September 2026 at the Seminar Hall and Regulatory Affairs

Practical Lab. Dr. Gopika Gopan, Associate Professor, Department of Pharmaceutics, convened the programme, which aimed to provide theoretical and practical exposure to e-CTD preparation and regulatory submission procedures, with Mr. Subramanya Aithal, Technical Director, Fransha Pharma LLP, as the resource person. The programme was attended by M.Pharm students, B.Pharm 8th semester students with

Pharmaceutical Regulatory Affairs as their elective, and faculty members with the presence of Dr. T. Tamilselvan, Principal-in-Charge; Dr. N. Tamilselvan, HOD, Department of Pharmaceutics; and Dr. Prof. V. Sreedhar, Department of Pharmaceutics. The training

covered e-CTD fundamentals, modules, regulatory submission procedures, EU and US e-CTD templates, metadata management, data filing, document uploading, PDF editing, hyperlinks, bookmarks, XML backbone files, study tagging files, lifecycle management and validation, providing participants with valuable hands-on exposure to electronic regulatory submissions.

Nehru College of Pharmacy Celebrates Teachers' Day with Gratitude and Joy

The NSS Unit of Nehru College of Pharmacy, Pampady organised a Teachers' Day Celebration on 5 September 2026 at 2:30 PM at NCP, to honour and express gratitude to the teachers and staff members who play an important role in guiding, inspiring and supporting the students.

The programme commenced with a warm introduction,

followed by the welcome address, which highlighted the significance of Teachers' Day and the valuable contributions of teachers towards shaping the academic and personal growth of students. As a token of love and appreciation, Teachers' Day wish cards, pens and chocolates were distributed to the teaching and staff members. This gesture added a personal and heartfelt touch to the celebration.

A special address was delivered by Dr. T. Tamilselvan, Vice Principal, highlighting the dedication, commitment and contributions of

teachers in the development of students and the institution. The occasion also included the honouring of professors, senior-most laboratory assistant and office staff, recognising their valuable service and continued commitment to the institution.

Mr. M Srinivas, Administrative Manager delivered a felicitation address, extending appreciation and gratitude to all the teaching and non-teaching staff for their sincere efforts and contributions. The celebration continued with a cake-cutting ceremony, which brought a

joyful and festive atmosphere to the gathering.

An experience-sharing session was conducted, providing teachers an opportunity to share their memorable experiences, reflections and thoughts about their journey in the institution. Adding to the celebration, the teachers themselves presented a dance & song performance further enriched the programme and made the occasion enjoyable and memorable for everyone present.

The programme concluded with a vote of thanks, expressing sincere gratitude to the management, administrators, faculty members, staff and all those who contributed to the successful conduct of the Teachers' Day celebration. Overall, the Teachers' Day celebration was a heartfelt tribute to the teachers and staff of Nehru College of Pharmacy, celebrating their dedication, guidance and invaluable contributions to the institution and its students.

Cyber Security and Cyber Crime: Students Gain Insights into Digital Safety

An awareness session on cyber security and cyber crime was conducted on 25 September 2026, with Sri. Maneesh M., Assistant Sub Inspector, Cyber Crime Police Station, Palakkad, serving as the resource person. The session was organised with the objective of sensitising young citizens to the rapidly evolving landscape of cyber threats and fostering a culture of responsible, informed and secure digital engagement. Drawing upon his practical experience and real-life incidents encountered in the course of cyber crime investigations, the resource person provided valuable insights into the nature of contemporary cyber offences, online deception and the vulnerabilities commonly encountered by young people in the digital environment. The discussion highlighted that cyber security is not merely a technical concern, but an essential dimension of personal responsibility, legal awareness

and social resilience. Particular attention was given to the safe and responsible use of social media, online banking, digital payment platforms, email and other internet-based services, with students being cautioned against unfamiliar links, suspicious messages, deceptive profiles and requests for confidential information. The session also emphasised practical preventive measures, including the use of strong and unique passwords, protection of passwords and other sensitive credentials, activation of multi-factor authentication, verification of suspicious communications, appropriate privacy settings, regular updating of devices and applications, and vigilance while undertaking digital transactions. The importance of promptly reporting suspected cyber incidents to the appropriate authorities was also underscored as an essential step in minimising potential harm. For law students in particular, the programme offered a meaningful perspective on the growing intersection of technology, law enforcement, individual rights and legal accountability, while highlighting the need for informed legal professionals who can contribute effectively to public awareness and responsible responses to technology-related offences. The session was engaging and thought-provoking, leaving the participants with a clear understanding that digital safety begins with awareness, vigilance and responsible conduct, and that every individual has a significant role to play in building a safer, more secure and resilient digital society.

YOUTH FOR A SAFE AND RESPONSIBLE FUTURE 2026

Awareness Session on Drug Abuse and Its Consequences

As part of the programme “Youth for a Safe and Responsible Future 2026”, Nehru Academy of Law, in association with the Kerala Police and the Internal Quality Assurance Cell (IQAC), Nehru Academy of Law, organised an awareness session for LL.B. students on 25 September 2026. The session was led by Sri. Binoy Kuriakose, Sub Inspector of Police, Narcotic Cell, Palakkad, who provided the students with valuable practical insights into the growing concern of drug abuse among teenagers and youth.

The session was highly informative, engaging and thought-provoking, with particular emphasis on the realities of drug use encountered in day-to-day

policing and public life. Drawing from his professional experience and field-level observations, Sri. Binoy Kuriakose explained how substance abuse can adversely affect the physical and emotional well-being of young people, their education, future prospects, relationships and family life. Through practical experiences and relatable situations, he sensitised the students to the serious consequences that may arise from drug use and highlighted the importance of awareness, responsible choices, timely intervention and collective responsibility in preventing substance abuse.

The interaction also enabled the students to understand the social and legal dimensions of drug-related issues and their responsibility as future legal professionals and responsible citizens. The session served as a powerful reminder that creating a safe and responsible future begins with informed young minds who are capable of making responsible decisions and contributing positively to society. The programme concluded with renewed awareness and a strong sense of social responsibility among the students

WORLD RIVERS DAY

27 SEPTEMBER

World Rivers Day reminds us that rivers are the lifelines of our planet, supporting life, communities, and ecosystems. On this occasion, the cadets of 23 (K) Battalion Army Wing NCC, Nehru College of Engineering and Research Centre, took part in a river cleaning drive, contributing their time and effort towards keeping our water bodies clean and protecting them for future generations.

PIPPING CEREMONY

26/09/26

The Pipping Ceremony was conducted with pride and honour, marking a significant milestone in the journey of cadets. The ceremony celebrated their dedication, discipline, and commitment to NCC.

 ncc_ncerc_thrissur

MBA Fresher's Day 2K26 was celebrated with vibrant energy, enthusiasm and togetherness at Nehru School of Management. The celebration warmly welcomed the new MBA batch and marked the beginning of their exciting journey at NSM. Filled with fun, laughter, interactive activities and memorable moments, the event provided the freshers with an opportunity to connect with their peers, step out of their comfort zones and build new friendships. The lively participation and cheerful spirit of the students made the occasion a memorable beginning to their academic and professional journey at Nehru School of Management.

INNOVATION ALLIANCE 2026 MOU SIGNING CEREMONY WITH SHYNISPHERE TECHNO VENTURES LLP 26-09-26

Building a Ragging-Free Campus: Awareness Programme Held at Nehru Academy of Law

An awareness programme on anti-ragging was conducted on 25 September 2026 at Shastra Hall, Nehru Academy of Law, with Sri. Arumughan V., Assistant Sub Inspector of Police and ADNO, Janamaithri Police, Palakkad, serving as the resource person. The programme was organised with the objective of sensitising students to the serious nature of ragging, its harmful consequences and the legal and institutional safeguards available to protect every student. The session was interactive and engaging in nature, and the resource person

called many students forward, put questions to them and encouraged them to express their views, which helped to build their confidence and to ensure active participation throughout the programme. The session was attended by a large gathering of students, including NCC cadets, and faculty members.

The discussion began by explaining the different forms of ragging, including verbal abuse, humiliation, body shaming, forced physical acts, mental harassment and coercion into harmful practices such as the use of drugs. The growing problem of drug use among school students and its links with peer pressure and misguided notions of “fitting in” were specifically highlighted. The students were made aware that ragging causes both physical and mental pain, and that its effects, such as fear, anxiety, loss of self-esteem, depression, poor academic performance and even withdrawal from

education, may remain long after the incident. It was stressed that ragging is not a harmless tradition or a form of “fun” or “introduction”, but a punishable offence and a violation of the dignity of the victim. The participants were also informed that ragging can take place anywhere in the college, whether in classrooms, corridors, canteens, hostels, playgrounds or transport, and even through social media and other online means.

The legal consequences of ragging were then discussed. Students were informed that ragging is punishable under the law with imprisonment of up to two years and a fine of up to Rs. 10,000, in addition to disciplinary action by the institution, which may include suspension, expulsion and debarment from admission to other institutions. The session also explained the procedure to be followed in the event of ragging. A victim or witness should promptly report the matter to the proper authorities,

such as the Head of the Department, the Principal or any teacher, without fear or hesitation. Every institution must have a duly constituted

Anti-Ragging Committee, which is required to take action on a complaint within seven days. It was further explained that the first step within the college is to inform a teacher, who must immediately remove the student concerned from the class and ensure the safety of the victim. The students were reminded that reporting ragging is an act of courage and responsibility, that silence encourages offenders, and that the identity and safety of the complainant must be protected. The importance of always approaching the proper authorities, and not attempting to resolve such matters privately or through retaliation, was emphasised.

The programme concluded with a message of mutual respect, empathy and responsible conduct, urging students to make the campus a safe, inclusive and welcoming space where every newcomer feels secure. For law students in particular, the session offered a meaningful insight into the legal framework against ragging and the role of informed citizens in upholding the rights and dignity of others. The session was informative and thought-provoking, and it left the participants with a clear understanding that a ragging-free campus can be achieved only through awareness, vigilance, courage to report and collective responsibility.
