Re: Approval of Admissions of B.Tech Course 2016-17- Order issued to Nehru College of Engineering and Research Centre, Thrissur on 21 -11-2016

APPROVAL ORDER

Nehru College of Engineering and Research Centre, Thrissur ,in short, the Engineering College is one of the members of Kerala Self Financing Engineering College Managements' Association (KSFECA) in short the Association. Through the letter dated 02.05.2016, the Association President was directed to submit the prospectus of 2016-17 of B.Tech course of the Member Colleges. In reply through letter dated 09.05.2016, the Secretary of the Association had enquired whether they have to submit the prospectus prior to the execution of the agreement or after the execution of the agreement with the Government.

The Admission Supervisory Committee in short the ASC, replied that the prospectus need to be submitted only after the execution of the agreement, so as to avoid the repetition of facts

and figures both in the prospectus as well as in the agreement approval order.

From the G.O (Ms.) No. 155/2016/H.Edn.dated 30.06.2016, it is seen that an agreement was executed by the Association with the Government of Kerala on 28.06.2016. Though, the dealing Officer of the ASC, has contacted the President and Secretary of the association, for the prospectus and the agreement, none of them had submitted the prospectus and copy of the agreement. Hence, both the common prospectus and the agreement dated 28.06.2016, have not been approved so far.

The President and Treasurer of the Association met the Chairman of the ASC on 22-09-2016 and requested to exempt the submission of prospectus for 2016 -17 as the agreement is already executed and G.O passed basing on the agreement.

In order to save time, and the academic opportunities of the students basing on the GO (Ms.) No. 155/2016/H.Edn.dated 30.06.2016, the approval of admitted students of individual colleges are being processed after scrutiny of the submitted admitted lists.

The College has submitted separate list of admitted students in each branch. The Admission Supervisory Committee (ASC) has scrutinised the entire lists submitted by the Institute for various branches of B.Tech Course. The approved candidates are given under each branch after scrutiny. They may be registered by the KTU

The AICTE approved five percent of seats within the approved or sanctioned intake for NRI admission. But the College admitted NRI students basing on the GO(Ms)No.155/2016/H.Edn. dated 19.10.2016. This is against the AICTE approval provision. However, considering that, the college has applied for NRI approval from AICTE, the committee take a very lenient view and approve the admissions of NRI seats. The approval of NRI candidates for the Academic Year 2016-17, should not be taken as a precedent.

The Registrar of KTU is directed to register the approved B.Tech candidates as per the list given above against the Engineering College.

Email this order to the Registrar, KTU and to the Principal, Nehru College of Engineering and Research Centre, Thrissur.

In the directives dated **07.06.2016**, the ASC has fixed the qualifying Entrance Examination mark as **10%** for 2016-17. The candidate, **Ranjitha Sankaranarayanan** secured 31 score out of 400 in CMAT. Hence her approval of admission is **rejected**.

At the time of scrutiny, it was found that **fourteen (14)** candidates, namely, **Bibin N B, Binusree N V, Deepak Denny, Hirandas P, Krishnaprasad K B, Midhun K S, Nair Varsha Dharmendran, Ranjith P P, Ranjith P R, Richard Son P I, Sanjay V S, Shammy Narayanan, Sreelatha K S and Sreerag R** had attended September MAT 2016 Entrance Exam, This is against the ASC directives dated 07.06.2016 as September MAT 2016 Entrance Examination was not permitted for MBA Course 2016-17. The Hon'ble High Court of Kerala dismissed the writ petition(s) filed against the ASC directive and upheld the exclusion of MAT for MBA admissions in Kerala. Hence the approvals of admissions of the above fourteen (14) candidates are **rejected**.

Muhammed Muhsin C, Nisarudheen A and **Shajeeb K** are reported discontinued. Hence these **three (3)** candidate and **fifteen (15)** already **rejected** candidates, are removed from the admitted list. Remaining admitted strength for the current academic year is **50**.

Kerala-695 016.

Sir,

Sub:- Approval of the list of students admitted to B.Tech Degree Course in Nehru College of Engineering and Research Centre, Thrissur, for the Academic year 2015-2016 - reg.

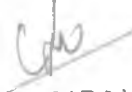

Ref: - 1. The admitted students list of B.Tech course 2015-16, submitted by the Engineering College.
2. G.O (Ms.) No: 618/2015/H.Edn dated 16.10.2015.
3. KSFECA Request No. 221/KSFECA/2015 dated 07.11.2015.

The admitted candidates of Nehru College of Engineering and Research Centre, Thrissur, have been scrutinised, basing on the list submitted to the Committee by the Engineering College.

As per the reference cited second above, the Government of Kerala has issued an order stating that 15% NRI seats allotted shall be admitted under Non-Resident Keralite (NRK) category.

Through the reference cited 3rd above, the President of Kerala Self-Financing Engineering College Managements Association (**KSFECMA**) has admitted that there are some lapses on the part of certain colleges. He further stated that strict directions have been given to such colleges to not to repeat such lapses from the next Academic Year onwards. The University has given register numbers to the students and collected various University Examination fees. The first Semester examination is scheduled to start from 02.12.2015. He, therefore, requested to regularise all the admitted candidates for 1st year B.Tech students 2015-2016.

Some of the Engineering Colleges have admitted NRI candidates without approval from the AICTE. The ASC has sought a clarification from the AICTE on 26.09.2015. But no reply is so far received. The approval cannot be kept pending indefinitely. Therefore, the ASC decided to take action on the pending NRI matters.

The intention of the reference cited 2nd above, along with the letter of KSFECMA are accepted though they are not strictly legal. But **these facts shall be accepted, only for the year 2015 Academic Year. This shall not be a precedent.**

In the light of the above facts after scrutiny, the admissions of the candidates, mentioned hereunder, with various categories of B.Tech Streams, are approved:
