ready for employment or turn them self-employed. Dr. P KrishnaDas, Chairman of NGI appreciated the efforts made by the Institution in formulating the most advanced syllabus for the autonomous college and emphasized the need for having frequent revision of syllabus in tune with the advancement in technology. The BoS members further proceeded for the department wise sitting to hold detailed deliberations of the scheme and syllabi of the undergraduate and postgraduate programs offered by the above departments.

The BOS Committee made constructive suggestions regarding the UG (B.Tech) Course Structure & Syllabus & PG (M.Tech) Course Structure & Syllabus.

BOS Recommendation to Academic Council

1. The total hours /session per week for four credit courses shall be modified considering the semester span. The concept of 'Session' can be adopted rather than 'Hour' since the same can offer the flexibility for scheduling class timings.
2. Academic eligibility can be adopted for permitting students to opt for internship in the 7th & 8th semester.
3. To enable students to utilize more time for preparation of competitive exams, project work , Internship in 7th & 8th semester, one course (DE) can be removed from the curriculum and the more credits can be allotted for project / internship.
4. Few essential courses offered as elective may be considered to be offered as core discipline courses, as presently done under APJAKTU
5. The course name repetition for Department Electives and Multi- Disciplinary Electives is to be avoided.
6. The electives "Renewable energy systems" (24EEREST815) and "Electric vehicle technology" (24EEEVTT056) may be included as main courses

The BoS Chairperson proposes the above comments/ suggestions on general curriculum, given by the BoS members for the consideration of Academic Council for further deliberations and decisions thereby.

Respected sir

I am Betsy Joy (KTU-F44065), Assistant professor in Nehru college of engineering and research centre. I am writing this to inform you that I have been suffering from severe back pain due to muscle sprain, so my doctor advised to take rest for few days and I will not able to attend the valuation camp on 16/2/24. I have attached a medical certificate given by the doctor. I hope that I will join the valuation camp by Monday onwards.
