THIRIKE 2023

NCERC Alumni Association remains dedicated to coordinate and support the alumni activities and to promote Institution's academic, soft skill of the student, industry interface, placement/internship, research, and outreach programs.

AANCERC is a registered society under Govt of Kerala maintaining all transparency and structural norms.

Thirike is the Annual Alumni meet coordinated by AANCERC. The last working day of 2023 witnessed the grand gathering of our proud alumni members. It was indeed a moment of love and rejoicing for all of us as the memoirs got warm with nostalgia. The cool foggy air was bright enough to chill out., Xmas cakes, Santa, grand dinner and the music band. all created novel vibes of togetherness.

Objectives of the NCERC Alumni Association:

The following shall be aims and objectives of the Association.

- To facilitate interaction between Alumni and Departments of Nehru College of Engineering and Research Centre.
- Promote research and academic activities.
- Organize social and cultural activities that bring together Alumni, Current scholars and the fraternity of Nehru College of Engineering and Research Centre.
- To encourage and appreciate academic and other outstanding achievements of the Departments/Faculty.
- To establish endowments and scholarships.
- To award incentives/prizes for outstanding contributions of scholars.
- To aid in improving and updating academics, using their experience and knowledge.
- Aid fresh graduates and postgraduates in finding job openings and entrepreneurship opportunities by coordinating with placement cell and other academic works.
- To conduct health awareness and camps.

The Association shall be non-profit sharing in nature and no member shall have any proprietary right or interest in the assets and liabilities of the Association.

- To facilitate interaction between old students of the entire Departments of Nehru College of Engineering and Research Centre.
- To promote and support research and academic activities of the college teaching departments of the campus.
- To promote social and cultural activities of former and current students of the Departments of College Campus.
