

NEHRU COLLEGE OF ENGINEERING AND RESEARCH CENTRE (NAAC Accredited)

(Approved by AICTE, Affiliated to APJ Abdul Kalam Technological University, Kerala),
Pampady, Thrissur, Kerala-680 588

Strategic Plan

The road map for the institution gives a clear and transparent direction for the growth of the institution. The next five years is a crucial period in the college's growth. The following are the strategic steps to be taken in order to grab the opportunities. Nehru College of engineering and research centre aspires to achieve its Vision and Mission by formulating a distinguished strategic plan and its implementation.

The institution aims to acquire university status by adopting the following strategies.

- All programs are to be accredited by National Board of Accreditation (NBA).
- Attain highest score in National Assessment and Accreditation council (NAAC).
- Reaffirming Industry Institution Interaction by entering into MOU with reputed firms.
- Strengthening research contributions from student and faculty by mobilizing funded projects.
- Focusing on nurtured start-up initiatives by the students to develop as successful entrepreneurs.
- Promoting research publications product patenting and acquiring IPR through consistent efforts.
- Securing good rank at the national level as assessed by National Institutional Ranking Framework (NIRF).
- Accomplish Autonomous status.
