ABOUT COLLEGE

Nehru College of Engineering and Research Centre (NCERC), situated on the banks of the river Nila, was established in 2002 by the founder chairman, Late. Sri P.K Das. It is an ISO 9001:2015 certified institution, approved by the All India Council for Technical University (KTU), and is accredited by the National Assessment and Accreditation Council (NAAC) with an A grade. NCERC is celebrating its 20 years of existence with various technical and cultural events. Along with undergraduate programs in engineering and postgraduate programs in Computer Science and Engineering, Cyber Security, VLSI and Energy Systems, the institution provides postgraduate programs in Master of Computer Applications and Master of Business Administration. All the departments are headed by highly qualified, experienced, and committed faculty who are highly professional. NCERC regularly organizes international and national conferences, seminars, lectures, workshops, technical exhibitions, co-curricular and extra-curricular activities to enlighten the minds of the student fraternity. It is equipped with excellent infrastructures and laboratories, including an IOT lab sponsored by the National Science & Technology Entrepreneurship Development Board (NSTEDB), New Delhi, and the Entrepreneurship Development Institution of India. NCERC aims for a holistic education system by providing IIC, IEDC, NCC, NSS, CSR activities, and the Nehru Vigyan Scholarship for students.

Vision: To mould true citizens who are millennium leaders and catalysts of change through excellence in education.

Mission: NCERC is committed to transform itself into a center of excellence in learning and research in engineering and frontier technology and to imparting quality education to mould technically competent citizens with moral integrity, social commitment, and ethical values.

We intend to facilitate our students to assimilate the latest technological know-how and to imbibe discipline, culture and spirituality, and to mould them into technological giants, dedicated research scientists and intellectual leaders of the country who can spread the beams of light and happiness among the poor and the underprivileged.

ABOUT NEHRU GROUP OF INSTITUTIONS

Nehru Group of Institutions (NGI) with its humble beginning in 1968 at Kuniamuthur, Coimbatore, Tamil Nadu was established by the Founder Chairman Late Shri P.K.Das with the objective of providing higher education in the field of Aeronautical Engineering. NGI progressively flourished and started offering undergraduate (UG), postgraduate (PG), and doctorate (Ph.D.) programs in all major Engineering branches, Management, Medical Sciences, Architecture, Law, Arts and Science, Paramedical Sciences, and Hospitality management. NGI also started offering preschool education to kids, with the establishment of an International School. Currently, the Nehru Group of Institutions operates through its 20+ state-of-the-art institutions in the states of Kerala and Tamil Nadu.

ABOUT ICETSSI - 2026

ICETSSI 2026 is the fourth in the series of the annual international conferences organized under the aegis of NGI. The conference aims at bringing together researchers, academicians, industry experts and students working in various aspects of signals, systems and information. There will be keynote lectures by the leading experts. In addition, this gathering will help the delegates to establish research and business relations as well as to find international linkage for future collaborations in their career path. ICETSSI outcome will lead to significant contributions to the knowledge base, and innovative concepts in their specialized areas. The deliberations at the conference will be in terms of paper presentations for each topic. Accepted papers of the conference will be published in the conference proceedings.

SCOPE OF ICETSSI - 2026

The conference will cover the following broad areas, but not be limited to:

CSE/MCA: Machine Learning/Deep Learning, AI & VR, Data Science & Data Analytics, Cyber Forensic, Data Mining, Data Warehousing, Cloud Computing, NLP, Information & Security, Image Processing, Computer Vision, IoT, Cyber Security.

ECE: VLSI and Embedded Systems, Communication Engineering, Image and Signal Processing, Digital and Medical Electronics, Nano Electronics, and Electromagnetism.

EEE: Smart Grid and Renewable Energy, Electric and Hybrid Electric Vehicles, Microgrid and Distributed Generations, Energy Storage Technologies, Nano Electricals.

Mechanical: Mechanical Design, Metallurgy and Material Science, Nanomaterials, Mechanics of Solids and Fluids, Manufacturing Technology, and Energy Conversion.

Mechatronics: Robotics and Automation, Mechanisms and Machines for Rural, Agricultural, and Industrial Applications, Drone Technologies, and Remote Sensing.

MBA: Operations and Supply Chain Management, AI in Business, E-Commerce, MIS, ERP and Enterprise System, Fintech and Financial Technologies.

CALL FOR PAPER

- Prospective authors are invited to submit abstracts and full papers with maximum paper length of 5 pages to the E-mail: paper.icetssi@ncerc.ac.in

- Conference papers should be prepared in the two-column IEEE standard conference format, and the template is available on the website.

- Accepted papers will be published in Scopus-indexed conference proceedings.
