	(2024-25 Admission):	<ul style="list-style-type: none"> • KTU has introduced new curriculum and scheme from 2024 onwards for UG which was not available during the time of BOS meeting mentioned. • IQAC has reviewed and discussed the new KTU curriculum 2024 and noted that regress changes and possibilities for student enhancement. • IQAC recommends to modify the KTU 2024 structure for the B. Tech 2024-28 Batch (admitted under autonomous). • For MBA/MCA, IQAC suggested to compare the syllabus of KTU and the already approved syllabus by Academic Council held on 31st May 2024 & 7th June 2024 before the commencement of the first semester classes of the 2024 admission. For M. Tech it is seen that the latest revision of KTU was in 2022 and thus decided to follow the syllabus of autonomous college already approved by BoS, Academic Council and Governing Body.
2.	Continuation of S3 (2023-24 Admission) in KTU Scheme:	<ul style="list-style-type: none"> • After careful consideration, IQAC recommends to continue with the KTU Curriculum for the 2023 admission for B. Tech and M. Tech/MBA/MCA as they have completed their S1 and S2 under the same and appeared for the S2 university examinations. • The S1 results are published by the KTU for the above batch of students. Adopting autonomous curriculum for these batch will affect in issuance of certificate. • So IQAC recommends to continue the above B. Tech and M.
